

ALEXANDER HOWARD

PERSONAL SUMMARY

BSc (Hons) Architectural Technology First Class graduate
7+ years in-industry experience
Proficient with Revit, Photoshop & Sketch-Up
Capable & confident architectural detailer

PERSONAL INTERESTS

I value honest materials, efficient processes, and functional design. I am driven to understand how things work, which is why I have an inherent interest in details. Whether it's the engineering behind something or it's quality of design, I am fascinated by all.
